Our File 034691/200911

Sir:

It is respectfully requested that a Certificate of Correction be issued for the above-identified patent, in accordance with 37 C.F.R. §1.322. This request is made in order to correct the mistakes incurred through the fault of the United States Patent and Trademark Office ("USPTO").

As supporting evidence for the enclosed Certificate of Correction, Applicant encloses a copy of our 1449 Form, which is stamped received by the USPTO on August 2, 2000, and includes the application number 09/601,486. The Examiner has initialed the foreign patent documents, and the examiner has signed and dated the 1449 form. Applicant therefore submits that these two patents should have appeared on the face page of the patent and should be entered through the enclosed Certificate of Correction.

The mistakes appearing in the patent are set forth on the Certificate of Correction enclosed herewith, with an additional copy thereof and a postal card being enclosed in accordance with the present USPTO practice.

Respectfully submitted,
